Dear Pat:

Its people like you, helping others, that makes genealogy such a joy! Thank you for the info you sent.

I plan to following up on the Mississippi Dampier info but what has really piqued my interest is your remark, "I did see a few Dampur families in 1800 SC and feel that they might be the ones you want...". Pat, it is my line that goes back in to South Carolina and I have found very little info other than census. Can you furnish me with a copy of what you found or what the name of the book or record was? I'll either reimburse you costs or make a donation to your library.

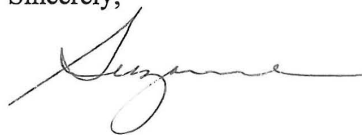

A Stephen Dampier left a wife, Mary and five orphan children in Onslow Co. NC in 1757. It is these five lines I am tracing (hopefully for a family history after I retire). We know the names of three, a fourth "John" is surfacing and the fifth is still a question mark although it may be a daughter, Nancy. (Aren't these family histories fascinating!?)

The Mississippi Stephen is a grandson of the early Stephen and Mary. The material for Mississippi is practically nil in our state library...so when you said the Mississippi Stephen was on the tax rolls for three years next to Wm. WEBB I really perked up! Only last spring did we find a second marriage for Mary...she married a Geo. Webb in Onslow Co. Also records for a Geo. Webb are starting to surface in Georgia. I have not had time to check this out, it may or may not be Geo. Webb of NC... Oh, what a tangled web we weave...

Pat, keep me in mind if you ever have need for any Indiana records or help...I owe you...

A Happy Holiday season to you and yours, and again, thank you... Hoping to hear from you again.

Sincerely,

Suzanne Dampier McGathey
